Kimberly Joy Brooks

Keynote Speaker

Kimberly spent 16 years in Australia, working in church and Christian school ministries. After the tragic loss of her marriage in 2014, she returned to the United States with her three sons.

Kimberly now ministers online and out of her home church in the Missouri Ozarks, encouraging women to trust God to bring beauty from the ashes of their lives. She writes daily devotions on Facebook and Instagram and has recently started a YouTube channel to bring further encouragement to women.

Kimberly has authored four devotional books: Tales from Toddlers: 30 Daily Devotions, and Gems of Joy: 100 Daily Devotions, Volumes 1, 2, and 3.

Kimberly's message to women is this: No matter how broken your heart and no matter how shattered your life, God can bring beauty from ashes, laughter from tears, and joy from sorrow. There is always hope!

CALMING THE WATERS

We all have conflict. Many Christians struggle with resolving conflict biblically. Let's discuss conflict resolution in all of our relationships from marriage, parent/child, coworker and beyond. I want to challenge you as we study our responsibility as Christians to live peaceably with all men!.

CASTING OUT YOUR NET

Christians love Jesus and are excited to talk about Him. They take the Great Commission seriously and desire to see souls saved. Despite all this, believers often struggle to step outside of their comfort zone and reach new kinds of people with the Gospel. Find out who we are missing with the Good News and how we can overcome our hesitancy to reach out to those we simply aren't comfortable approaching. (Teen session in the afternoon.)

FEAR PIER

Would you choose to dock at a place called Fear Pier? "Fear" is usually the driving force that compels one to seek safety. We are encouraged to fear the LORD, so I set out to try and grasp what exactly that means. "Come, ye children, hearken unto me: I will teach you the fear of the LORD." Ps 34:11

TRUST THE CAPTAIN

Has a storm caught you by surprise? In December 2022, a storm came into my life that I was not prepared for. My husband was in a serious car accident and was in the hospital for 5 weeks. Things were pretty crazy for a while! I am so thankful for a Captain I could trust to help me navigate the storm. Storms come and storms go. Find out how you can brave these storms with strength and courage that only the Lord can give!
